

# VS800FP2S

## Reinforcement piece 800mm FP2S.2.1500

Reference	Finish	↕ mm	↔ mm	→  ← mm	↔ mm	kg/stk	📦	Unit
<b>ZMVS800FP2S</b>	DF	96,5	41		903,34	2,558	2	STK

### CHARACTERISTICS

In high-load scenarios or when using particularly heavy converters, the additional reinforcement piece can be installed to enhance the rigidity of the FP2S.2.1500 flat pack shelter. Accessories will be delivered in a box with two pieces in it. Bolts and nuts are included in the box and delivered in a bag with it.
